**Agenda:**

**Action:**

- |                                 |                                                                                                                                                              |
|---------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1. Prayer                       | Reflecting on scripture. As you heard the word --- what word, phrase, or thought surfaced. See attachment.                                                   |
| 2. Reports                      | Update: Transportation, Calendar, Finance, Marketing, Communication, Administration, School Advisory/Board, Principals report.                               |
| 3. Name of Committee            | We have not formally decided on a name for our committee ---- Merger Committee, School Unification Committee, Other?                                         |
| 4. Mission                      | Final Review. See attachment.                                                                                                                                |
| 5. Survey                       | Continued discussion. Attached is the original survey and a survey reflection some suggested changes. Are there listening session in addition to the survey? |
| 6. Tuition                      | Begin discussion of tuition philosophy. Attached are some documents on Faith Based Tuition.                                                                  |
| 7. Executive Session, Open form | Procedures we may wish to include in our meetings.                                                                                                           |
| 8. Other                        | Concerns, rumors heard.....                                                                                                                                  |
